

Dear Store,

I'm a potential customer who would buy your clothes, but lately I haven't been able to find a lot of stuff that I like.

I'd appreciate if you would stock some...

1. Cute jeans that sit on my waist instead of my butt.
2. Cool shirts that come down far enough to let me raise my arms without showing half my body.
3. Cap sleeve shirts instead of shirts without sleeves.
4. Longer skirts and shorts, 'cause I like to cover the top half of my legs (yeah, you know, I wanna leave a little to the imagination).
5. Oh, and one more thing—maybe some awesome looking swimsuits that are one-piece and cover more, so I'm not walking around like I'm in my underwear.

By the way, there are several hundred thousand other girls who feel the same way I do. If you don't believe me, just visit jenmagazine.com. So please pass this on to the person in charge and thanks for your help!
